Meeting on Tuesday to talk about tech issues

Hopefully move to a more user friendly technology

CPAK Annual Conference

Call for Programs (August 1st)

Elizabeth and Jill to set up a meeting to talk for Thursday

Focus of programs

In past low programming in GLBT or spiritually, but want to have variety...do we want to give a suggested topic for those to choose from in order to reach more variety—yes

What are those topics?? Critical issues, advance learning and wellness, Cultivating Critical Discourse, Integrating Intersectional Approaches to Identity, transforming higher education from <http://convention.myacpa.org/vegas2013/program/>

Topics for the two large sessions

(policy/recruitment and retention of prof staff)

Large group topic sessions??

Recruitment and retention of professional staff (how to keep talented staff, how do we get them here, could be relevant on a lot of different areas)

Title 9—should be a standalone session

Policy OR Tile 9: pick on who we can get?? Take advantage of location!!

Angela is thinking someone from her school will be doing a Title 9

WE PICK: Policy

Recruitment & professional staff

Key-Note speaker/Grant

Zebulan Davenport-- look at BIO (ICPUI)

Trying to apply for the ACPA Speaker Grant

Graduate Student Scholarship

New website for registration

University Tickets:

A University is to be a host of the site but will do a CPAK tickets site---save money by cutting and then allowing them a blurp on our site/at our conference

Help with collecting info for registration

Help with collecting info for meals

This will be a good choice to go with

Move forward with University Tickets for conference
