Break for lunch

Elizabeth leads discussion of the 2012 conference dilemma, ACPA is in Louisville spring 2012 so should we still have CPAK in Louisville in 2012?

It was decided that CPAK will still stay in March in Spring 2011 and Career in Student Affairs would occur Fall 2011, but in 2012 CPAK would make the transition to a Fall conference.

March 3 and 4 will be the CPAK annual conference in spring 2011.

Elizabeth leads discussion about having CPAK at a campus or at a hotel.

It was decided that CPAK spring 2011 would be in Lexington at a hotel and that CPAK fall 2012 would be at a Kentucky campus that we would open a bid for.

Elizabeth announces that the Kentucky Collegiate Leadership conference at NKU would like our membership lists.

It was decided that our members at large will contact their specific type schools and send information about this conference.

Destiny leads the discussion about the Secretary/Treasurer position, should the position be split or the roles more clarified?

It was decided that the position should not be split and the roles should be more clarified based on Destiny's recommendations of allowing Secretary/Treasurer Elect to act as a secretary, but still have visual access to the bank account. Where the Secretary/Treasurer would focus more on budget responsibilities and have spending access to the bank account. Treasurer would still approve all purchases. President Elect would work with Treasurer to manage and oversee budget and manage registration for annual conference so that this President Elect position could have a historical perspective when transitioning into the President role.

Elizabeth announces an opportunity to attend the Summer Leadership conference in Vegas if anyone is interested.

Elizabeth adjourns meeting at 1:55pm.
